

Pastor Lynn's Update

October 24th, 2020

Grace and Peace to you in the Name of our Lord Jesus Christ,

As we head into the last week of October, I hope you all are enjoying the Fall season. As many of you heard, at our Town Hall on October 11th, our Regathering Task Force has been hard at work. One significant achievement has been the creation of Online Forms in regard to regathering which will be available soon on our website.

These Online Forms include procedures to request small group meetings, church service registration (when we offer in-person worship), and a mandatory liability waiver form for everyone meeting on church campus for any reason. We will provide you with more detailed information as soon as the forms are officially posted for you to access. Right now, we are confident in the gradual approach we have chosen to take regarding re-gathering. Nothing will bring us more joy than all of us gathered within our sanctuary walls together, but safety will remain our top priority.

As a reminder, we are preparing for our sacred All Saints Day service on November 1st; and there are many ways you can take part. If you'd like a photo of your loved to be shown during the remembrance portion of the service, please send to the church office or email office@lbumc.org their picture, name and relationship to you by Tuesday, October 27th. We are also creating a Community Garden with Large Colorful Wire Flowers with loved one's names attached on a beautiful weather protected card. If you would like a flower, we invite you to send your donation of \$10 to the church office, along with your loved one's name, relation to you, date of birth and death. We look forward to a very meaningful time in our Online Worship for All Saints Day on November 1st.

Thank you for all that each and every one of you do in making our church a strong and supportive family. We are so grateful that together we are Bringing Love to Life.

In Faith, Hope, and Love,

Pastor Lynn
